

non-shoveler's name

---

*You're Welcome*

Please, don't thank us. It's your duty under D.C. Code § 9-601 to clear the sidewalks of snow within 8 hours of snowfall, but we were just so fed up with falling down outside your property that we did it for you anyway. You may also have piled up mountains of snow on sidewalks so people could get their cars onto the unplowed roads. Forget negligent, that's just rude and lazy.

This business or organization will be listed publicly as a no-good not-shoveling neighbor.
